REPORT OF LIBRARY TRUSTEES

The trustees maintain a continuous interest in the use and facilities of our library, and would welcome more patrons. We wonder if the townspeople are aware that the shelves are well stocked with classics, reference material and current literature, the latter being added to every three months with the visit of the Bookmobile from the N. H. State Library.

The needs of our local students are met to the limit of our budget and with generous gifts from local organizations and persons, plus the N. H. State aid funds. We are confident that our reference library compares favorably with those in many larger libraries.

Our Librarian, Mrs. LaPointe, continues to serve us well and faithfully and is always ready to do that "little bit extra" to help our readers.

Come and visit our Library!

ELOISE BICKFORD,
ELLEN C. JENNINGS,
ALMA JACKLIN,

Trustees.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 a.m. and 5:00 p.m. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.
